For indoor and outdoor installation
- Made in aluminium, painted with epoxy powder
- WBOVA2 Patented

**WBJA** • Wall bracket with sturdy joint. It is suitable for medium and large extruded aluminium housings.

**WBMA** • Medium-duty die-cast aluminium wall bracket with integrated joint. It is particularly suitable for medium-small size housings.

**WBOVA2** • Bracket with joint. It offers vandal proof protection, due to an internal cable channel. For IP55 protection, make a hole in the supplied sheath of 2mm less of the cable diameter and combine with the existing hole of the bracket. Optional sealing rings, OWBIP1 or OWBIP2, ensure IP66 protection for the bracket instead.

**WBOV3A2** • Die-cast aluminium reinforcing support plate in weatherproof box, supplied with WBOVA2 bracket. When combined with a cable managed bracket, it allows wiring internally throughout the unit. The optional sealing rings OWBIP1 or OWBIP2 ensure a housing of IP66 protection.

**WCM3A** • Ceiling mount. It allows for an easy position adjustment of the housing.

**WCM4A2** • Ceiling mount with an internal cable channel. It combines an easy position adjustment with vandal proof protection. It is suitable for housings with cable management. The sealing rings OWBIP1 or OWBIP2 ensure a housing of IP66 protection.

**WCM5A** • Same features as WCM4A2 mount, but with exposed cable. Suitable for housings equipped with cable glands.

**WCMPA** • Linear extension for WCM4A2 and WCM5A mounts.

**WFWCA** • Column bracket with joint, suitable for all the housings equipped with cable glands.

**OBJA** • Ball joint of WBJA, WCM5A and WCM3A.

WB0V2A
Vandal proof protection, due to internal cable management
Wall mounting or on modular adaptors
Load rating: 25kg (55lb)
Length: 204mm (8in)

WCM3A
Ceiling mounting
Load rating: 15kg (33lb)
Length: 300mm (11.8in)

WCM4A2
Internal cable management
Ceiling mounting
Load rating: 15kg (33lb)
Length: 412mm (16.2in)

WCM5A
Ceiling mounting
Load rating: 15kg (33lb)
Length: 412mm (16.2in)

WCMPA
Extension 500mm (19.7in) for WCM4A2 and WCM5A

WFWCA
Column and parapet mounting
Load rating: 15kg (33lb)
Length: 185mm (7.3in)

OBJA
Ball joint of WBJA, WCM5A and WCM3A

ACCESSORIES

OWBIP1 | Sealing rings kit (1xPG11 and 2xPG9) for WBOVA2, WCM4A2 bracket for HOV32, VERSO and HEB housings |
OWBIP2 | Sealing rings kit (3xM16) for WBOVA2, WCM4A2 bracket for HEK housing |
